

damaged by fire or other casualty Landlord shall promptly demand compliance with Section 4.3.2 of the OEA.

SECTION 12.02 Tenant's Obligation to Rebuild. If all or any part of the Premises is damaged or destroyed by fire, the elements or other casualty, then Tenant shall promptly repair all damage and restore the Premises to its condition immediately prior to such damage or destruction (subject to any changes to the Premises that Tenant shall desire to make to the extent same shall otherwise be permitted under Section 14.01). Without limiting Tenant's obligations under this Article XII, the proceeds of the policies required to be obtained and maintained by Tenant pursuant to Section 11.02 shall, to the extent necessary, be used for the performance of such rebuilding and restoration work. The provisions of this Section 12.02 shall not apply if Landlord or Tenant terminates this Lease pursuant to provision this Article XII.

SECTION 12.03 Termination.

(a) Tenant shall have the right to terminate this Lease:

(i) if at least fifty percent (50%) of the Premises is damaged or destroyed by fire, the elements or other casualty during the last five (5) years of the Term, and the restoration period is reasonably estimated by Landlord and Tenant to be in excess of two hundred ten (210) days,

(ii) if all or any part of the Premises is damaged or destroyed by fire, the elements or other casualty (other than in a *de minimis* manner) during the last two (2) years of the Term, or

(iii) if all or any part of the Premises is damaged or destroyed by fire, the elements or other casualty at any time during the Term and such damage or destructions is not covered under the insurance policy(ies) required to be maintained by Tenant under Sections 11.02(a)(ii) or 11.02(b) and the cost to repair such damage would exceed ten percent (10%) of the full replacement cost of the Premises.

Tenant shall notify Landlord of its exercise of such option within forty-five (45) days following the occurrence of such casualty.

(b) If (i) Landlord fails to commence in good faith Landlord's repair and restoration obligations within ninety (90) days after any damage or destruction, or (ii) Landlord fails to timely complete such repair and restoration within two hundred seventy (270) days after such damage or destruction, then Tenant shall have the option, upon notice to Landlord, to elect (y) to complete the repair and restoration to the Landlord Tract, or any portion thereof, and (1) to receive reimbursement therefor in full from Landlord on demand and/or (2) to offset the cost and expense thereof against the payment of Rent and, at Tenant's option, to extend the Term until such time as Tenant, through such offsets, has recouped the entire cost and expense to Tenant of such repair and restoration, or (z) to terminate this Lease effective as of the date of such damage or destruction. The time periods referenced in this Section 12.03(b) shall be subject to Force Majeure, but in no event shall the aggregate of any and all extensions as a result of a Force Majeure delay(s) exceed a period of sixty (60) days.

(c) If (i) Tenant fails to commence in good faith Tenant's repair and restoration obligations within ninety (90) days after any damage or destruction, or (ii) Tenant fails to timely complete such repair and restoration within two hundred seventy (270) days after such damage or destruction, then Landlord shall have the option, upon notice to Tenant, to elect to complete the repair and restoration to the Premises and to receive reimbursement therefor in full from Tenant on demand. The time periods referenced in this Section 12.03(c) shall be subject to Force Majeure, but in no event shall the aggregate of any and all extensions as a result of a Force Majeure delay(s) exceed a period of sixty (60) days.

(d) Landlord shall have the right to terminate this Lease by written notice to Tenant within sixty (60) days after any damage or destruction to the Shopping Center if:

(i) more than seventy-five percent (75%) of the Floor Area of the Developer Tract (excluding the Premises and any Outparcels) is destroyed or damaged such that it is rendered uninhabitable or unusable for at least thirty (30) days and Landlord reasonably estimates that it will take longer than two hundred seventy (270) days from the date of casualty to complete repair and restoration;

(ii) Landlord does not intend to rebuild the Landlord Tract; and

(iii) Landlord reimburses Tenant for (A) the Unamortized Costs effective as of the day prior to the date of the casualty, and (B) any costs or expenses incurred by Tenant in rebuilding, repairing or restoring the Premises after the event of casualty and prior to the termination of this Lease by Landlord.

(e) If this Lease is terminated, then this Lease shall terminate on the date set forth in the notice of termination without further liability on the part of either Landlord or Tenant, except: (i) for those obligations which expressly survive the expiration or other termination of this Lease, and (ii) only in the case where Tenant terminates this Lease, Tenant shall thereupon make available to Landlord (1) all insurance proceeds paid by Tenant's insurance carrier, or (2) if self-insured, an amount equal to the reconstruction costs of the Premises or, if the Premises are not being reconstructed, an amount equal to the actual value of the Premises (not to exceed, however, an amount equal to the reconstruction costs of the Premises), to the extent such amounts would have been payable under the insurance outlined in Section 11.02(a)(ii).

ARTICLE XIII

CONDEMNATION

SECTION 13.01 Taking.

(a) In the event of condemnation by eminent domain or similar law, including a sale in lieu thereof to an authority or other entity having the power of eminent domain (a "Taking"), of all or any portion of the Shopping Center, which (i) results in a Taking of (x) any part of the Premises, (y) more than ten percent (10%) of the Common Areas, or (z) reduces the available parking spaces on the date of such Taking to less than the applicable ratios that are required pursuant to the Minimum Parking Ratios for the Tenant's Preferred Area and/or the

Shopping Center, (ii) materially and adversely affects ingress or egress to the Premises or the Shopping Center, or (iii) materially prohibits or inhibits Tenant's use of the Premises for a period in excess of sixty (60) days, then Tenant may terminate this Lease by giving notice to Landlord not more than ninety (90) days after the later of the date on which title vests in the condemning authority or the date Tenant receives notice of said vesting.

(b) In the event of a Taking of all of the Premises, this Lease shall terminate as of the date of vesting of title or transfer of the Premises, whichever is earlier, without further liability on the part of either Landlord or Tenant, except for those obligations which expressly survive the expiration or other termination of this Lease.

(c) In the event of a Taking of the Premises, the Common Areas and/or any other area within the Shopping Center, or any portion thereof, for temporary use (specifically one not exceeding sixty (60) days in duration), without the taking of the fee simple title thereto, this Lease shall remain in full force and effect. All awards, damages, compensation and proceeds payable by the condemnor by reason of such Taking relating to the Premises, or relating to the Common Areas but reasonably attributable to the Premises, for periods prior to the expiration of the Lease shall be payable to Tenant. All such awards, damages, compensation and proceeds for periods after the expiration of the Lease shall be payable to Landlord. Anything contained to the contrary notwithstanding, a temporary Taking for any period in excess of sixty (60) days may, at Tenant's option, be deemed a permanent Taking and shall be governed by Section 13.01 (a) or (b), as applicable.

SECTION 13.02 Restoration and Rent Adjustment. In the event of a Taking, if this Lease is not terminated by Tenant pursuant to Section 13.01, then (a) Landlord shall promptly restore the Shopping Center as nearly as practicable to a complete unit of like quality and character as existed prior to the Taking, which restoration shall, as applicable, include all of Tenant's Work and all other leasehold improvements performed by Tenant, but shall not include Tenant's Property, and (b) if a portion of the Premises is Taken, then from and after the date on which title vests in the condemning authority, the Rent shall be equitably reduced in proportion to the area of the Premises subject to the Taking.

SECTION 13.03 Award. In the event of any Taking, Tenant shall be entitled to an amount of the award or compensation paid for such Taking equal to the Unamortized Costs, if any, and the balance shall belong to Landlord. Tenant shall also have the right to claim and recover from the condemning authority such compensation as may be separately awarded or recoverable by Tenant on account of any and all damage to Tenant's business by reason of the condemnation and for or on account of any cost or loss to which Tenant might be put in moving Tenant's Property, or for any other damages compensable separately to Tenant; provided, however, that no such award shall reduce the award payable to Landlord for its fee interest in the Premises. The provisions of this Section 13.03 shall be subject to the provisions of Section 13.01(c) with respect to a temporary Taking.

ARTICLE XIV

ALTERATIONS AND MECHANICS' LIENS

SECTION 14.01 Tenant's Alteration Rights.

(a) Tenant shall not perform any structural or exterior alterations or improvements to the Premises (except to the extent same pertain to Tenant's Work) without the prior approval of Landlord; provided, however, that Tenant's alteration of the exterior of the Premises to conform to Tenant's (or any subtenant's) then-current prototypical elevation shall not require Landlord's consent. Any such alteration of the exterior of the Premises to conform to Tenant's (or any subtenant's) then-current prototypical elevation shall be subject to the terms and provisions of the OEA, however, Landlord, at no cost to Tenant, agrees to use commercially reasonable efforts in assisting and cooperating with Tenant with any consents or approval required pursuant to the OEA. The provisions of this Section 14.01(a) shall not apply to Tenant's building signage, which shall be governed by the applicable provisions of Article XV.

(b) Tenant may, from time to time, without the prior approval of Landlord, make non-structural interior alterations and improvements to the Premises as Tenant deems necessary or desirable including, but not limited to, the electrical systems, the HVAC and other mechanical systems, installation of fixtures and equipment, painting, and wall and floor coverings.

(c) Tenant shall have the right to erect and maintain an antenna, a satellite dish and/or related equipment on the roof of the Premises, provided that Tenant: (i) uses a contractor approved by Landlord for all roof penetrations so as not to violate or invalidate any roof warranties maintained by Landlord, (ii) repairs any damage to the roof caused by the making of the roof penetrations and the removal of same, and (iii) erects and maintains such equipment in accordance with Laws, and (iv) removes such equipment upon written notice from Landlord within thirty (30) days following the expiration of the Term or earlier termination of this Lease.

(d) Landlord shall execute and return to Tenant at no cost or expense to Landlord all appropriately completed building department or equivalent applications within ten (10) days after Tenant's request therefor, and will reasonably cooperate with Tenant in the permitting process. If any violation of Laws which is noted against the Shopping Center or the Premises (other than a violation caused by Tenant) prevents Tenant from obtaining a building permit for any alterations or a certificate of occupancy, then, upon request by Tenant, Landlord shall promptly and diligently cause such violation to be removed of record to the extent required to permit Tenant to obtain its building permit or certificate of occupancy, as the case may be. However, if the violation was not caused by Landlord (or any of Landlord's agents, contractors, employees or invitees), then Landlord's obligations under this Section 14.01(d) shall be satisfied by Landlord using diligent, good faith and commercially reasonable efforts to have the responsible party remove such violation of record.

(e) Landlord shall not make any alterations to the Premises (including, without limitation, changing the design, color or materials of the exterior of the Premises) nor

shall Landlord construct an additional floor or floors above or below the Premises. Landlord shall neither make nor permit to be made any alterations to the exterior architectural theme of the remainder of the Developer Tract which would be inconsistent with a first-class shopping center in the State (exclusive of other National Tenants' or Regional Tenants' entrance features), without the prior consent of Tenant.

SECTION 14.02 Mechanics' Liens. Tenant covenants that Tenant shall promptly discharge of record (by payment, bond, order of a court of competent jurisdiction or otherwise) any mechanic's lien filed against the Premises or all or any part of the Shopping Center for any work, labor, services or materials claimed to have been performed at, or furnished to, the Premises or the Shopping Center, for or on behalf of Tenant, or at the insistence of Tenant, or anyone acting for, through or under Tenant. Similarly, Landlord covenants that Landlord shall promptly discharge of record (by payment, bond, order of a court of competent jurisdiction or otherwise) any mechanic's lien filed against the Premises or all or any part of the Shopping Center for any work, labor, services, materials claimed to have been performed at, or furnished to, the Premises or the Shopping Center, for or on behalf of Landlord, or at the insistence of Landlord, or anyone acting for, through or under Landlord. If either party shall fail to cause any such lien to be discharged within thirty (30) days after the other party shall demand that the former party remove same, then, the demanding party may discharge the same by paying the amount claimed to be due, by bonding or by any other proceeding deemed appropriate by such demanding party, and the amount so paid by such demanding party and/or all costs and expenses including reasonable attorneys' fees incurred by such demanding party in procuring the discharge of such lien shall be reimbursed by the other party upon demand. Nothing contained in this Lease shall be construed as a consent on the part of the Landlord to subject Landlord's estate in the Premises to any lien or liability under any law relating to liens.

ARTICLE XV

SIGNS

SECTION 15.01 Tenant's Signs. Tenant shall have the exclusive right during the Term to erect, maintain, and replace on the storefront and exterior walls of the Premises, and on the side walls of any entrance design element, if any, signs (including, without limitation, under-canopy or blade signs), banners (including temporary banners placed on the storefront of the Premises and such other walls of the Premises as selected by Tenant), awnings, and flags of such size, design and color as Tenant, from time to time, may desire, subject to compliance with Laws and the OEA (the "Sign Criteria"). Tenant may erect and maintain in the interior of the Premises any signs it may desire.

SECTION 15.02 Pylon Signs. Landlord shall provide the pylon at the location shown on the Site Plan. Landlord, as part of Landlord's Work, shall obtain all governmental approvals and permits for such pylons and monuments (including Tenant's sign panels on all sides of such pylon). Tenant's sign panels shall be procured and installed at Tenant's cost. A rendering of such pylon showing the dimensions of the pylon and the size and position of all panels to be installed thereon, including Tenant's panel, is attached to this Lease as Exhibit N. Tenant's panel shall be at least as large as any other tenant other than Target, Kohl's and any other retailer occupying at least Twenty Five Thousand (25,000). In addition, if Landlord makes available to

any other tenant of the Developer Tract any other signage located in the Common Areas, then such signage shall also include Tenant's identification sign which shall be at least as large as the largest sign made available to such other tenant or tenants whose premises are equal to or smaller than the Premises. Landlord shall not change or alter the pylons or monuments bearing Tenant's sign panel(s) without obtaining Tenant's prior consent which shall not be unreasonably withheld, delayed or conditioned. The cost of maintaining all pylons and monuments bearing Tenant's sign panel(s) (but not the cost of individual tenants' signs thereon or the cost of the construction of the pylons and monuments) and the cost of any electricity used to illuminate them, shall be paid pro rata (based on panel size) by the tenants located thereon within thirty (30) days of invoice by Landlord. If at any time during the Term there becomes available a face panel on any of the Shopping Center pylon or monument signs which would permit Tenant's presence in the Shopping Center to be designated in a higher pylon or monument panel position, then Tenant shall have the right to relocate its pylon or monument sign panel to such higher sign position; provided, however, Tenant shall not be permitted to move to any position reserved for the Target Tract or Kohl's Tract or any other position reserved for a tenant whose premises in the Shopping Center exceeds Twenty-Five thousand (25,000).

SECTION 15.03 Replacement. Without Landlord's consent, but subject to complying with Laws and the OEA, Tenant and its subtenants shall be entitled to replace all of its signs with signage consistent with Tenant's and/or its subtenant's then-current prototypical sign plans, provided that Tenant and/or its subtenant is a National or Regional Tenant. Any signage that is not consistent with such prototypical sign plans shall be subject to Landlord's approval.

ARTICLE XVI

TENANT'S PROPERTY

SECTION 16.01 Tenant's Property. All of Tenant's movable trade fixtures, ornate light fixtures, equipment, furniture, inventory and other property owned by Tenant and located at, on or in the Premises including, without limitation, computer display and storage area showcases, partitions, mezzanine, shelving, wall cases and signs (collectively, "Tenant's Property") shall remain the property of Tenant, exempt from the claims of Landlord or any Mortgagee or Ground Lessor, without regard to the means by which or the persons by whom Tenant's Property is installed or attached. Tenant shall have the right at any time and from time to time to remove Tenant's Property, provided that if removal of any of Tenant's Property damages any part of the Premises, Tenant shall repair such damage. Any of Tenant's Property remaining in the Premises for more than thirty (30) days following the expiration or earlier termination of this Lease shall be deemed abandoned by Tenant become the property of Landlord and Landlord may retain or dispose of same in its sole discretion without the necessity of further documentation from Tenant

ARTICLE XVII

ASSIGNMENT AND SUBLETTING

SECTION 17.01 Assignment and Subletting Rights. Subject to the Prohibited Uses, and all of the terms and conditions of this Lease, Tenant shall have the right from time to time, without the consent of Landlord, to assign Tenant's interest in this Lease and/or to sublet,

concession or license all or any portion of the Premises. Unless otherwise agreed to in writing by Landlord, no assignment, subletting, licensing or concessioning by Tenant shall reduce the liability of Tenant under this Lease, however, Tenant's liability shall not be increased as a result of any amendment or modification to this Lease between Landlord and any assignee. However, in the event of an assignment by Tenant to an assignee having an Adequate Net Worth (as defined below), or to an assignee whose obligations under this Lease are unconditionally guaranteed by a guarantor having an Adequate Net Worth, all liability of the assigning Tenant under this Lease accruing from and after the effective date of such assignment shall terminate. "Adequate Net Worth" shall mean a tangible net worth, as of the effective date of such assignment, of at least Two Hundred Million Dollars (\$200,000,000).

SECTION 17.02 Collateral Assignment. In addition to Tenant's other rights set forth in this Article XVII, a collateral assignment of Tenant's interest in this Lease by Tenant to one (1) or more Lenders (hereinafter defined), as collateral security for an indebtedness or other obligation of Tenant or its Affiliates shall be permitted and Landlord shall execute all documentation reasonably requested by Tenant or any such Lender in connection therewith. In addition, Tenant shall have the right, without Landlord's consent, to grant to an Affiliate of Tenant a license to operate all of Tenant's business operations at the Premises, without such Affiliate having assumed any liability for the performance of Tenant's obligations under this Lease. "Lender" shall mean a state or federally regulated: bank, savings and loan association, insurance company, pension fund, credit union, real estate investment trust, or other institutional lender.

SECTION 17.03 Cure Rights of Original Tenant. If Tenant assigns Tenant's interest in this Lease and the assignor remains liable under this Lease following such assignment, then Landlord, when giving notice to said assignee or any future assignee in respect of any default, shall also give a copy of such notice to the Tenant originally named in this Lease or its Affiliate (collectively, the "Original Tenant"), and no notice of default shall be effective until a copy thereof is so given to Original Tenant. Original Tenant shall have the right (but not the obligation) to cure such default, which cure period shall be twenty (20) days longer than the cure period applicable to Tenant.

SECTION 17.04 Recognition Agreement. In the event Tenant subleases all of the Premises or any portion of the Premises containing not less than ten thousand (10,000) square feet of Floor Area, for a term of at least five (5) years, and the subtenant thereunder has a tangible net worth of at least fifty million dollars (\$50,000,000), then, notwithstanding any other provisions of this Lease, Landlord shall, upon Tenant's request, execute and deliver an agreement among Landlord, Tenant and each such subtenant in the form of Exhibit I hereto, in recordable form (the "Recognition Agreement"). In the event Tenant subleases any portion of the Premises, for a term of at least five (5) years, to a subtenant to whom Landlord is not required to execute and deliver the Recognition Agreement described in this Section 17.04, then, following Landlord's receipt of notice from Tenant setting forth the name and address of such subtenant, Landlord shall (i) simultaneously with any notice of default thereafter delivered to Tenant under this Lease, deliver a full and complete copy thereof to such subtenant, and (ii) permit such subtenant to cure such default on behalf of Tenant within the same applicable cure period as allowed Tenant under the Lease.

ARTICLE XVIII

DEFAULT

SECTION 18.01 Tenant's Default.

(a) If Tenant defaults in the payment of any installment of Rent and such default is not cured within ten (10) business days after receipt of notice from Landlord thereof [provided, however, such notice and such grace period shall be required to be provided by Landlord and shall be accorded Tenant, if necessary, only two (2) times during any twelve (12) consecutive month period of the Term, and a default by Tenant shall be deemed to have immediately occurred upon the third (3rd) failure by Tenant to make a timely payment as aforesaid within any twelve (12) consecutive month period of the Lease Term, it being intended by the parties hereto that such notice and such grace period shall protect against infrequent unforeseen clerical errors beyond the control of Tenant, and shall not protect against Tenant's lack of diligence or planning] or if Tenant defaults in the observance of any other covenant or agreement herein contained and Tenant shall not, within thirty (30) days after receipt of notice thereof from Landlord, cure or commence to cure such default (it being intended in connection with a default not susceptible of being cured with due diligence within said thirty (30) day period that the time allowed Tenant within which to cure same shall be extended for such period as may be necessary to complete same with all due diligence so long as Tenant promptly commences cure and prosecutes such cure to completion), then Landlord may, by giving notice to Tenant at any time thereafter during the continuance of such default:

(i) terminate this Lease, without any right by Tenant to reinstate its rights by payment of Rent or other performance of the terms and conditions hereof and upon such termination Tenant shall immediately surrender possession of the Premises to Landlord, and Landlord shall immediately become entitled to receive from Tenant, as liquidated, agreed final damages, an amount equal to the difference between the aggregate of all rentals reserved under this Lease for the balance of the Term, and the fair rental value of the Premises for that period (both discounted to present value at an annual interest rate equal to eight percent (8%)), determined as of the date of such termination; or

(ii) with or without terminating this Lease, as Landlord may elect, re-enter and repossess the Premises, or any part thereof, and lease them to any third-party upon commercially reasonable terms and conditions, for a term within or beyond the Term; provided, however, that any such reletting prior to termination shall be for the account of Tenant, and Tenant shall remain liable for (y) Annual Minimum Rent, Tenant's Share of CAM Costs, Tenant's Share of Taxes, and other sums which would be payable hereunder by Tenant in the absence of such expiration, termination or repossession, less (z) the net proceeds, if any, of any reletting effected for the account of Tenant after deducting from such proceeds all of Landlord's reasonable expenses (which expenses shall be amortized over the term of the new tenant's lease and only the portion thereof allocable to the balance of the Term shall be so deducted by Landlord hereunder) in connection with such reletting (including, without limitation, all repossession costs,

reasonable brokerage commissions, reasonable attorneys' fees and expenses, reasonable alteration costs and expenses of preparation for such reletting).

(iii) with respect to any non-monetary default that if uncured would materially diminish the value of the improvements on the Premises, or impair the structural integrity of the improvements on the Premises, and which remains uncured beyond the applicable notice and cure period, Landlord, may send an additional notice to Tenant setting forth (A) the nature of the uncured default(s), (B) Landlord intends to cure such default, and (C) the actions that Landlord intends to undertake in curing such default. In the event that Tenant has not cured or commenced to cure such default, Landlord may cure such default(s) of Tenant in accordance with the applicable provisions of this Lease on behalf of, and at the expense of Tenant. Upon completion of any such work by Landlord hereunder, Landlord shall send written notice to Tenant with invoices, proof of payment (if already paid by Landlord) and other supporting documentation thereof, and Tenant shall reimburse Landlord (or pay the applicable contractor directly) within thirty (30) days of receipt of such notice at which time any sums owed to Landlord shall accrue interest at the Default Rate.

(b) If the Premises is at the time of default sublet or leased by Tenant to others, Landlord may, as Tenant's agent, collect rents due from any subtenant or other tenant and apply such rents to Rent due hereunder. Any monthly deficiencies payable by Tenant shall be paid monthly on the date herein provided for the payment of Annual Minimum Rent. If, after the lapse of all applicable grace periods, Landlord reasonably expends any money to cure a default by Tenant, then Tenant shall, on demand, pay Landlord the amount so paid by Landlord together with interest thereon at the rate of two percent (2%) per annum in excess of the rate charged to Tenant for short-term borrowings by any bank with which Tenant regularly transacts business (the "Default Rate").

(c) Landlord shall also be entitled to all other rights and remedies available to Landlord at law, in equity or otherwise, except as otherwise expressly set forth in this Lease. Landlord expressly waives (i) any right to accelerate any element of Rent except as expressly set forth in Section 18.01(a)(i) above, (ii) any right to recover consequential or punitive damages as a result of a Tenant default or any other act or omission of Tenant, and (iii) all rights to any so-called "landlord's lien" or any similar statutory lien, granting Landlord a lien on any of Tenant's Property for the performance of any obligations of Tenant. At the request of Tenant, Landlord shall promptly confirm such waiver(s) by a writing in form reasonably satisfactory to Landlord and Tenant. Anything contained in this Lease to the contrary notwithstanding, Landlord shall use all reasonable efforts to relet the Premises or any portion thereof to mitigate Landlord's damages to which Landlord would otherwise be entitled to as a result of a Tenant default. Tenant hereby agrees that Landlord's agreement to use reasonable efforts to relet the Premises shall not be deemed to impose any obligation on Landlord to relet the Premises (i) for any purpose which would be inconsistent with the uses customarily found in first-class shopping centers or which would breach any covenant of Landlord respecting radius, or exclusivity in any other lease or agreement relating to the Shopping Center, provided, however, Landlord is not in any event required to buy out another lease in an effort to mitigate damages pursuant to this paragraph or (ii) to any lessee who is not reputable or who is not financially capable of performing the duties and obligations imposed upon such lessee under the applicable lease or who does not have

experience in successfully operating a business of the type and size which such lessee proposes to conduct in the Premises, provided, any National or Regional Tenant shall be deemed to be acceptable pursuant to this subitem (ii). Tenant further agrees that the agreement by Landlord to use reasonable efforts to relet the Premises shall not impose any obligation on Landlord to relet the Premises in preference to the leasing by Landlord of any other property or premises by Landlord.

SECTION 18.02 Additional Landlord Remedies Due to Construction Delays by Tenant.
If Tenant shall fail to achieve Substantial Completion by that date which is one (1) year following Delivery of the Land, provided that such one (1) year period shall be extended on a day for day basis to the extent Tenant incurs any delay on account of Force Majeure events or any Landlord Delay, then Landlord shall be entitled to terminate this Lease upon sixty (60) days prior notice to Tenant unless Tenant, within such sixty (60) day period, achieves Substantial Completion. If Landlord terminates this Lease, then there shall be no further liability on the part of Landlord or Tenant, except for those obligations that expressly survive the expiration or other termination of this Lease.

SECTION 18.03 Landlord's Default.

(a) If Landlord shall (i) default in the observance of any material covenant or agreement herein contained, breach any material representation or warranty under this Lease, or shall fail to pay any charges or other amounts required to be paid by Landlord under this Lease (including, without limitation, any insurance premiums or any reimbursements due to Tenant) and Landlord does not cure such default within fifteen (15) days (as to a monetary default) or thirty (30) days (as to a non-monetary default), as applicable, after notice thereof by Tenant (it being intended in connection with a non-monetary default not susceptible of being cured with due diligence within said thirty (30) day period that the time allowed Landlord within which to cure same shall be extended for such period as may be necessary to complete same with all due diligence), or (ii) fail to pay when due any Taxes, ground rent or any other charge or assessment, the lien of which is prior to the lien of this Lease, then Tenant shall have the right (but shall not be obligated) to:

(w) perform such obligation(s) of Landlord in accordance with the applicable provisions of this Lease on behalf of, and at the expense of Landlord;

(x) bring suit for the collection of any amounts for which Landlord is in default, seek injunctive relief, or seek specific performance for any other covenant or agreement of Landlord;

(y) offset against the Rent all amounts owed by Landlord to Tenant and/or the amounts reasonably expended by Tenant performing Landlord's obligations under this Lease, including costs and reasonable attorneys' fees if such amount has not been reimbursed by Landlord within thirty (30) days of demand by Tenant, together with interest thereon at the Default Rate from the date of the outlay until paid, and, at Tenant's option, extend the Term if necessary for Tenant to fully recoup all amounts owed by Landlord to Tenant; and/or

(z) terminate this Lease, without waiving its rights to damages for Landlord's Default, provided that: (1) Landlord's default materially interferes with the

normal conduct of any business operations in the Premises, (2) Landlord's default is not reasonably capable of being cured by Tenant, and (3) subject to Section 18.03(b), Tenant gives notice of Landlord's default to any Mortgagee of whom Landlord shall have previously given Tenant notice (including its address), and such Mortgagee shall not have cured Landlord's default within the time period provided in Section 18.03(b).

Notwithstanding the foregoing, Tenant's right of offset under clause (y) above shall be limited to forty percent (40%) of each installment of Rent next becoming due unless insufficient Term remains to fully recoup the amounts owed by Landlord to Tenant on the amounts expended by Tenant, together with interest as provided above, in which event the amount of Tenant's offset shall be increased so that Tenant is able to fully recoup all such amounts expended by Tenant, together with interest as aforesaid, prior to the expiration of the Term.

(b) If a Mortgagee shall have notified Tenant in writing that it is the holder of such lien on the Shopping Center and shall so request, then Tenant shall give a similar notice to such Mortgagee and such Mortgagee shall have the same time period allowed to Landlord under this Lease to correct or remedy such default.

(c) Tenant shall also be entitled to all other rights and remedies available to Tenant at law, in equity or otherwise, except as otherwise expressly set forth in this Lease. Tenant expressly waives any right to recover consequential or punitive damages as a result of a Landlord default or any other act or omission of Landlord.

(d) Notwithstanding the foregoing, if, in Tenant's reasonable judgment, a condition posing imminent risk of liability or material harm to persons or property or material disruption to the normal conduct of any business operations in the Premises shall exist, then Tenant may exercise, at its election and without prior notice to Landlord, any or all of the remedies set forth in clauses (w), (x) and (y) above.

SECTION 18.04 Additional Tenant Self help, Equitable and Legal Remedies Due to Construction Delays by Landlord. If Landlord defaults at any time in the timely completion of any component of Landlord's Work (including, without limitation, Delivery of the Land) and Landlord does not cure such default within five (5) days after notice thereof by Tenant (provided, however, such five (5) day notice shall be reduced to one (1) day in the event the default relates to any element of the Site Delivery Work), then Tenant shall have the right, but not the obligation, to:

(a) perform, at Landlord's sole cost and expense, all or any part of Landlord's Work. If and to the extent that Tenant exercises its right under this Section 18.04(a), Landlord agrees to cooperate in good faith and provide Tenant with reasonable assistance so that Tenant can complete such portions of Landlord's Work. Landlord hereby grants Tenant the right, as its agent, to contact and contract directly with Landlord's contractors, on behalf of Landlord, to complete such Landlord's Work, all at Landlord's cost and expense. Landlord covenants to provide Tenant, upon Tenant's request, duplicate sets of all plans, specifications and contracts prepared in connection with the construction of the Shopping Center, as well as schedules of all contractors, subcontractors and suppliers. Landlord agrees to reimburse Tenant for any and all costs incurred by Tenant in connection with any portion of Landlord's Work that Tenant completes within ten (10) days after Landlord's receipt of request therefor from Tenant, which

request reasonably shall be supported by invoices and/or written description of Landlord's Work performed by Tenant. If Landlord does not reimburse Tenant timely as contemplated above, then Tenant shall be entitled to deduct the costs of such work from Rent, together with interest at the Default Rate from the date of expenditure by Tenant, until paid in full;

(b) seek injunctive relief, specific performance or other equitable remedies against Landlord to require Landlord to perform its obligations under this Lease (including, without limitation, the Site Design Requirements), the costs of which litigation shall be borne by Landlord including, without limitation, reasonable attorneys' fees and court's costs; and/or

Site Design Requirements	Reverse Build to Suit Deals
Circuit City Stores, Inc.	Spring Hill, TN Store #3823 9/25/2007

These Site Design Requirements (SDR's) are attached to and made part of the Lease Agreement. These SDR's are intended to allocate responsibility between Landlord and Circuit City for the work needed to prepare the Premises for Circuit City's occupancy. Terms with capital letters which are defined in the Lease Agreement and used in the SDR's shall have the same meaning. Notwithstanding anything contained herein, should there be a difference or conflict described herein between the Civil Plans prepared by Gresham Smith & Partners dated June 4, 2007 and the SDR's or Circuit City Specifications the Civil Plans shall govern.

1. Landlord's Work

Landlord shall be responsible for all work as described in Section 1, "Landlord's Work". Landlord's Work shall be performed in a good and workmanlike manner. Landlord's engineers, surveyors, architects, consultants and contractors shall be bondable, all licensed in the state where the shopping center is located, and of good reputation. Landlord's Work shall be performed at Landlord's sole cost and expense, and in accordance with all applicable laws and regulations, these SDR's, the Construction Schedule (Attachment 2), and the Civil Plans (Attachment 7).

In the event that any portion of the Landlord's Work requires minor adjustments in order to satisfy the requirements of these SDR's, Circuit City is to give notification to the Developer. If the Developer has not commenced work within 48 hours of notification, Circuit City may direct its contractor to make such minor adjustments, the total cost of which shall be reimbursed by Landlord to Circuit City upon demand in a sum not to exceed Five Thousand and no/100 Dollars (\$5,000.00) in the aggregate.

A. Site Delivery Work - All of the Landlord Work described in one (1) through twelve (12) below is referred to collectively as the "Site Delivery Work". Upon completion of the Site Delivery Work, Landlord shall deliver to Circuit City the "Site Work Certificate" (Attachment "3"), at which time "Delivery of Land" as described in the Lease shall be deemed to have occurred. If any portion of the Site Delivery Work has not been completed to Circuit City's satisfaction, Circuit City shall notify Landlord within 5 days of the delivery of land, and Landlord shall be obligated to correct any incomplete or unacceptable work as a condition precedent to Delivery of the Land.

1. Provide the Geotechnical Report and Geotechnical Reliance Letter (Attachment "8"). The Geotechnical Investigation Report by Geosciences Design Group, LLC, dated September 8, 2006 shall be referenced as the Geotechnical Report, henceforth.
2. Provide the Environmental Reports and Environmental Reliance Letter (Attachment "9").
3. Cause the proposed development of the Shopping Center and its Civil Plans to comply with the Geotechnical Report.
4. Cause the land upon which the Circuit City building will be constructed (which includes the areas occupied by the Building, loading dock well, trash compactor, and sidewalks) to be free and clear of all obstructions, foundations, rock, footings, utilities, easements, improvements, and tenancies. Any rock removal performed by the Landlord must be completed as described in the Circuit City Specifications. The Circuit City Specifications shall take precedent over the Geotechnical Report with regards to rock removal.
5. Cause the land on which the Shopping Center is situated, including the Building Pad, to be delivered free of all Hazardous Materials.
6. Cause the land on which the Shopping Center is situated, including the Building Pad, to be graded in accordance with the Geotechnical Report and the Civil Plans, exclusive of the outparcel areas.
7. Complete the Building Pad in accordance with the Geotechnical Report and the Civil Plans. If there are discrepancies between the Circuit City Specifications and the Geotechnical Report or Civil Plans, the Geotechnical Report shall take precedent. The term "Building Pad" shall mean the footprint of the Circuit City Building plus a minimum of fifteen (15) feet beyond such footprint (except when the fifteen feet falls within the building pad of an adjacent tenant and public access or R.O.W., and the areas occupied by the loading dock well, trash compactor, and sidewalks).

Re: *Geotechnical Investigation - Reliance Letter*
Circuit City-Proposed Crossings at Spring Hill
Spring Hill, Tennessee
GDG Project No. 26175

Gentlemen,

Pursuant to your request we have reviewed the referenced geotechnical study as it relates to the development of the proposed Circuit City Store. The purposes of the original geotechnical study were to obtain information regarding subsurface conditions within the areas proposed for construction and to develop recommendations regarding the geotechnical aspects of site preparation and foundation design. Based on the available soil data we expect that the proposed construction will be relatively straight forward and the developer can rely on the data presented in the report *Crossings at Spring Hill* prepared by Geosciences Design Group, LLC dated September 8, 2006. Accordingly, the in-place soil and newly placed fill are expected to provide an allowable bearing capacity of 3,000 psf.

The report describes the subsurface conditions encountered at select locations explored across the subject site on the dates of our field exploration, and it is possible that different conditions could exist between the explored locations. In any event, our personnel are currently on-site providing construction monitoring and testing services. The monitoring services include assessment of the soil subgrade by observing proofrolling operations and directing remedial treatment of any unstable areas exposed. Services also include observations and periodic testing of soil fill being placed across the site.

We trust that this letter meets your immediate needs. If you have any questions, please feel free to contact Geosciences Design Group at (615) 331-7770.

Sincerely,

Geosciences Design Group

Daniel D. Terranova, PE
